A G E N D A

1. Apologies

An apology from Councillor Twigg has been received.

At the close of the agenda no requests for leave of absence had been received.

2. Conflict of Interest

Members need to be vigilant to stand aside from decision-making when a conflict arises between their role as a Member of the Council and any private or other external interest they might have. This note is provided as a reminder to Members to scan the agenda and assess their own private interests and identify where they may have a pecuniary or other conflict of interest, or where there may be perceptions of conflict of interest.

If a Member feels they do have a conflict of interest, they should publicly declare that at the start of the relevant item of business and withdraw from participating in the meeting. If a Member thinks they may have a conflict of interest, they can seek advice from the Chief Executive or Group Manager Corporate & Customer Services (preferably before the meeting).

It is noted that while Members can seek advice and discuss these matters, the final decision as to whether a conflict exists rests with the member.

3. Confirmation of Minutes

REPORT TO: TENDERS SUBCOMMITTEE

MEETING DATE: THURSDAY 25 JULY 2013

FROM: TRANSPORTATION MANAGER
JAG PANNU

SUBJECT: CON2013028 - WARREN STREET RECONSTRUCTION

1.0 SUMMARY

- 1.1 The purpose of this report is to gain the subcommittee's approval to award CON2013028 – Warren Street North Reconstruction.
- 1.2 This contract involves elements of road reconstruction and sewer main renewal in Warren Street North between St Aubyn Street and Jervois Street.
- 1.3 The full report of the Tender Evaluation Team is attached as **Attachment 1**.
- 1.4 The author has reviewed the process and is satisfied that it complies with Council's requirements.
- 1.5 This report concludes by recommending that CON2013028 – Warren Street North Reconstruction be awarded to Higgins Contractors Ltd at the tendered price of \$1,045,351.07 (excl. GST).

2.0 BACKGROUND

- 2.1 The reason for the work is that sections of the road and sewer infrastructure are at the point where the service they are providing is diminishing and renewal would be more cost effective than on-going maintenance.
- 2.2 The works form part of the LTP renewals budgets.
- 2.3 Only Tenderers qualifying for the highest work category may tender for the Contract, in this case Rooding Complex A. The Prequalified Tenderers invited to submit tenders are listed below.

Invited Tenderers
Downer NZ Ltd
Fulton Hogan Ltd
Higgins Contractors Ltd
Infracon Ltd
Russell Roads Ltd

- 2.4 Tenders were invited under the lowest price conforming method. Four tenders were received.

Name of Tenderer	Tendered Price
1. Higgins Contractors Ltd	\$1,045,351.07
2. Russell Roads Ltd	\$1,055,391.80
3. Fulton Hogan Ltd	\$1,098,756.18
4. Infracon Limited	\$1,146,286.47

- 2.5 The evaluation was carried out by Graeme McHattie (Certified Evaluator - MWH), Ansonica Botha (HDC) and Amy Horner (MWH).
- 2.6 The evaluation team confirm that none of them have personal relationships with any owners, directors or employees of the companies listed above, or any financial or commercial interest in any of the companies that would create a conflict of interest with respect to this tender evaluation process.
- 2.7 The lowest tender (Higgins Contractors Ltd, \$1,045,351.07) was evaluated and found to be conforming.
- 2.8 The Engineer's Estimate for the tendered works was \$1,063,110.25. The main difference between the Engineer's Estimate and the tendered price were the roading construction rates.

3.0 FINANCIAL IMPLICATIONS

- 3.1 Asset Managers for the various services council provides to the community are charged with the responsibility of managing the works identified in Council's Annual Plan within the budget allocations Council has assigned to the activity involved.
- 3.2 This is achieved by monitoring expenditure and making appropriate adjustments and predictions throughout the year as actual charges are brought to account. If, as a consequence of expenditure incurred, a funding shortage appears likely, the Asset Manager will report to the Works and Services Committee seeking approval to either expend unbudgeted funds or agreement to defer other works proposed in the Annual Plan in order to free up the required funds.
- 3.3 It is currently anticipated that the full programme of works will be delivered. If at any point, it becomes clear that this cannot be achieved, a report on the impact of any adjustments on the programme proposed in the Annual Plan will be made to the Works and Services Committee.
- 3.4 Funds for the works identified in this contract come from within Council's budget allocations for transportation, storm water and sewer renewals.
- 3.5 The tender evaluation has compared the funds originally identified in the preliminary estimates to prices received in the contract tender for the various components of work to be delivered. This identified that preliminary estimates allowed sufficient funds for proposed works:
- Subsidised roading
 - Unsubsidised roading works
 - Storm water works
 - Sewer works

3.6 The funding allocations and variances are summarised in the following table:

Budget Area	Tender Cost	Ancillary Costs	Total Project Cost	Funds Allocated	Variance
Unsubsidised Roothing	\$221,866.50	\$18,719.94	\$240,586.44	\$255,000.00	\$14,413.56
Subsidised Roothing	\$499,002.17	\$77,302.06	\$576,304.23	\$585,000.00	\$8,695.77
Sewer	\$286,257.90	\$29,972.00	\$316,229.90	\$316,826.00	596.10
Storm water	\$38,224.50	\$23,000.00	\$61,224.50	\$90,000.00	\$28,775.50
Total	\$1,045,351.07	\$148,994.00	\$1,194,345.07	\$1,246,826.00	\$52,480.93

NOTE: NZS 3910:2003 Conditions of contract for building and civil engineering construction provides for certain events and circumstances to be treated as variations, resulting in additional costs and time extensions.

The Contract price includes a Contingency Allowance of \$90,000.

4.0 RECOMMENDATION

- A. That the report of the Transportation Manager titled “CON2013028 – Warren Street North Reconstruction” dated 15 July 2013 be received.
- B. That Contract CON2013028 – Warren Street North Reconstruction be awarded to Higgins Contractors Ltd at the tendered price of \$1,045,351.07 (excl. GST).
