4.	CONSIDERATION OF SUBMISSIONS ON DRAFT KEIRUNGA GARDENS RESERVE MANAGEMENT PLAN	
	Attachment 2 - Summary of Submissions	3

Summary of Submissions by Submitter

NO	NAME	POLICY	COMMENTS	REMEDY	RECOMMENDATION	REC NO.
1	Bev Bosenberg, Keirunga Quilters	2.2	• Upgrade toilets in Homestead.	5	Allowed	I
		3.5	• Manage rabbit population around heritage buildings.	17	Allowed	HHH
2	Eugene Kemp	Part 4	• Considers the Gardens are beautiful as they are and spending should be focused elsewhere; Havelock North seems to get more funding than other communities and there should be a wider focus on spending.	24	Disallowed	VVV
		3.1	• Considers spending money on trees is a waste.	14	Disallowed	UU
		2.2	• Buildings should be maintained to an average standard.	5	Allowed	L
3	Samantha Kelsey	Whole Plan	• Supports the plan.	-	NRR*	-
		3.4	• Ensure places are provided for wildlife as biodiversity is important to the long term health of NZ.	16	Allowed	GGG
4	Pete Patterson	2.2	• Supports the Havelock North Live Steamers projects as they will increase safety and usage of the Gardens.	5	Allowed	M
		2.3	• Supports the policy to build a permanent safety barrier on The Knoll.	-	NRR*	-
		2.4	• Supports additional carpark & security lighting. Requests lighting extend to railway buildings due to recent undesirable behaviour around railway infrastructure.	6	Allowed in part Disallowed	N O
		5.11	• Requests CCTV extend to the railway buildings due to recent undesirable behaviour around railway infrastructure.	23	Allowed	UUU
		2.12	• Supports a sealed path to access the KPR platform from the carpark & playground as visitors such as caregivers with buggies struggle to reach the facility.	13	Allowed	QQ
5	David Smith	Whole Plan	• Fully supports the whole plan and believes the outcomes will be beneficial to the local residents and wider community. Would like to see the whole plan adopted by the Council, without any modification.	-	NRR*	-
6	Alison Hussey	Whole Plan	• Supports the plan overall and looks forward to improvements progressing.	-	NRR*	-
		2.5	• Would like to see playground replacement proceed asap.	7	Disallowed	T

		2.2	• Supports Havelock North Live Steamers proposals.	5	Allowed	M
7	Chris Bain	Whole Plan	• Fully supports the whole plan.	-	NRR*	-
		3.1	• Particularly pleased that "...the trees within Keirunga Gardens have environmental, aesthetic, and historic value" as they are the key feature of the Gardens.	-	NRR*	-
8 & 15	Jenny Cumberbeach	3.1	• Would like to see the landscape area around Arthur's Path remain natural with maintenance & replacement of trees. • Does not support removal of the silver birch trees in Crabapple Walk/Poplar Flat, as they are beautiful and provide shade; does not support introduction of a fruit & nut grove.	14	Allowed Allowed in part	YY AAA
		2.12	• Would like to see leaves left on Arthur's Path to assist with cleaning dogs' feet and adequate drainage maintained.	13	Disallowed	PP
		3.2	• Does not want to see development of the Knoll.	15	Allowed	EEE
		2.10	• Does not support the introduction of carparks at Crabapple Walk/Poplar Flat.	11	Disallowed	II
		2.8	• Does not support the relocation of the Keirunga Gardens sign at Crabapple Walk/Poplar Flat to a more prominent location.	9	Disallowed	X
		1.5	• Supports restriction of cycling in Keirunga Gardens except as a means of transport to visit the Gardens.	3	Allowed	G
9	Janka McBeth	Whole Plan	• Fully supports the whole plan.	-	NRR*	-
		2.5	• Would like to see the playground replacement with more equipment for a range of children as soon as possible, with the addition of monkey bars.	7	Allowed Allowed in part Disallowed	P Q T
		2.12	• Supports the 1km buggy accessible loop track, having recently walked Arthur's Path then been unable to reach the carpark from the Knoll with the baby buggy.	13	Allowed	QQ
		4.3	• Suggests a "fairy door walk" through the Gardens, with support of the Arts & Crafts Society, to attract families & visitors to the Gardens.	18	Allowed	KKK
10	David Youngquest	2.2	• Supports upgrading the heritage buildings to enable greater community use, as well as benefit existing users.	5	Allowed	I
		3.1	• Supports the heritage planting proposals to enhance the heritage area. • Supports the regular review of management recommendations for the oak trees. Supports improved communication and management of oak trees along the residential border.	14	Allowed Allowed	WW CCC
		2.9	• Supports additional seating throughout the Gardens, including The Knoll to encourage visitors to access this area.	10	Allowed	AA
		2.11	• Suggests careful consideration of providing access to The Knoll to allow all visitors to access this area. • Supports improved access to the Knoll for users of all abilities.	12	Allowed	KK
		2.10	• Strongly supports closure of exit and service roads to allow for pedestrian access and widening the main entrance. Frequently runs or walks up the driveway and considers the closure of these	11	Allowed	EE

		roads to allow improved and safer access to the heritage area and playground is overdue.			
		2.12	<ul style="list-style-type: none"> Supports completion of a loop track and upgrade of existing tracks to encourage more use. 	13	Allowed Allowed OO QQ
		3.4	<ul style="list-style-type: none"> Supports planting to improve biodiversity and maintain health of the Gardens and attract native birds. 	15	Allowed GGG
		Whole Plan	<ul style="list-style-type: none"> Considers overall approach and strategic direction of the plan is largely heading in the right direction. The Gardens are an asset worth preserving for the welfare and benefit of the local and regional community. Supports action list and timeframes. 	-	NRR* -
		4.1	<ul style="list-style-type: none"> Supports heritage proposals. 	-	NRR* -
		5.7	<ul style="list-style-type: none"> Supports Policy 5.7.2 future land acquisition, if the opportunity arises. 	-	NRR* -
11	NZ Walking Access Commission	2.12	<ul style="list-style-type: none"> Supports proposals which will improve pedestrian access, including pedestrian access on the previous exit road, access retained through the cemetery and new tracks including a loop track. Notes there are no objectives & policies to support the Gardens to enhance Havelock North's wider off road pedestrian network. Suggests a connection from Puflett Road into the Gardens which would link to Arthur's Path, providing a pedestrian link which will avoid the lower section of Puflett Road, which is narrow and unsuitable for walking. Suggests a pedestrian connection through the separate parcel of land, providing a safer alternative for pedestrians to the road. Supports Objective 2.12.1. Notes providing enhanced links into and through the Gardens supports the recommended actions of the Reserves Strategy 2006 to provide continuous linkages for Havelock North. Notes enhancing the Gardens' tracks and linkages will contribute to the key goals and actions of providing the community with a range of activities, encouraging them to visit more often and stay longer. 	13	Allowed / Disallowed T
		5.7	<ul style="list-style-type: none"> Supports Policy 5.7.2 future land acquisition, if the opportunity arises. 	-	NRR* -
		2.6	<ul style="list-style-type: none"> Supports objectives 2.6.1 and 2.6.2. 	-	NRR* -
12	Arthur Birks	2.10	<ul style="list-style-type: none"> Notes the value and popularity of KPR. Considers the proposed extension of the playground footprint will have very significant adverse effects on the operation of KPR, specifically parking, loading and manoeuvring of volunteers, locomotives and visiting buses. No allowance for vendors and mobility access has been removed. Does not support proposals as considers there is inadequate space for manoeuvring for loading of locomotives and no parking for KPR volunteers. 	11	Allowed CC
		Part 4	<ul style="list-style-type: none"> Notes there is no timeframe for removal of weed species noted in App 9 including weeds located near the railway tracks. 	24	Disallowed WW W
13	Peter Egerton	Whole Plan	<ul style="list-style-type: none"> Broadly supports whole plan, with exceptions listed below. 	-	NRR* -

		2.11	<ul style="list-style-type: none"> Does not support relocation of the white gates at the Tanner St entrance to closer to the road and would like to see the gates retained in their current location; for aesthetic, practical & financial reasons. 	12	Allowed / Disallowed in part	MM
14	Wellesley Binding	2.10	<ul style="list-style-type: none"> Does not support any changes to Crabapple Walk/Poplar Flat; parking adjacent to Crabapple Walk/Poplar Flat would be inadequate due to increased use of the reserve would result in inadequate number of parks and also adversely affect quiet nature of this area. 	11	Disallowed	II
		3.1	<ul style="list-style-type: none"> Does not support fruit & nut trees in Crabapple Walk/Poplar Flat and considers existing silver birch trees are iconic, provide shade, vegetative diversity and sightlines for traffic manoeuvring Supports planting around The Knoll provided the easterly views are protected. Does not support felling of the gum tree on the southern boundary. Supports proposal to restrict planting on The Knoll itself. 	14	Allowed in part	AAA
		2.2	<ul style="list-style-type: none"> Concerned proposals for around KPR will result in Keirunga Gardens developing an "amusement park" identity similar to Splash Planet. Requests interests of local appropriateness and current usage be balanced with developments for the sake of amenities related to the infrequent use of the railway. 	5	Disallowed	M
		2.12	<ul style="list-style-type: none"> Does not support extension of Arthur's Path track around The Knoll and a track linking The Knoll to the carpark as the current open area allows for random wandering. 	13	Disallowed	QQ
		2.9	<ul style="list-style-type: none"> Does not support additional picnic tables on The Knoll. 	10	Disallowed	BB
		1.5	<ul style="list-style-type: none"> Supports restriction of cycling to the carpark only. 	3	Allowed	G
		1.6	<ul style="list-style-type: none"> Supports prohibition of overnight access to the Gardens. 	-	NRR*	-
16	Landmarks Trust	2.8	<ul style="list-style-type: none"> Supports improved signage 	9	Allowed	W
		3.1	<ul style="list-style-type: none"> Supports beautification of key areas. 	14	Allowed	DDD
		4.1	<ul style="list-style-type: none"> Supports retention and integration of heritage aspects of the Gardens. 	-	NRR*	-
		2.12	<ul style="list-style-type: none"> Supports path network improvements that improves safety. 	13	Allowed	OO
		2.11	<ul style="list-style-type: none"> Supports accessibility improvements. 	12	Allowed	KK
17	Tina Lea	2.11	<ul style="list-style-type: none"> Supports access for wheelchair users from carpark to seating area above KPR platform & other accessibility improvements. 	12	Allowed	KK
		2.5	<ul style="list-style-type: none"> Would like to see playground equipment for children with disabilities. 	7	Allowed	S
		2.9	<ul style="list-style-type: none"> Supports additional park furniture. Would like more shelter when using park furniture. 	10	Allowed	AA

18	Keirunga Gardens Care Group	Whole Plan	<ul style="list-style-type: none"> Supports the Draft RMP and looks forward to implementation of the RMP. Thanks HDC for the extremely positive, constructive and creative consultation process that informed the Draft Plan. 	-	NRR*	-
19	Havelock North Live Steamers Inc	2.10 2.12 2.11 5.3	<ul style="list-style-type: none"> Requests consideration of KPR requirements, specifically: reversing bays for car access when loading locomotives; bus turning area relocating playground to under the bridge; concern regarding removal of overflow carpark. Requests realignment of walkway away from loading area for health & safety reasons. Supports accessibility improvements. Requests a direct liaison person at HDC as KPR has many operational activities that overlap or affect Council services in the Gardens. 	11 13 12 21	Allowed Allowed Allowed Allowed	CC RR KK RRR
20	Sue Macdonald, HB Miniatures Group	2.2 5.4	<ul style="list-style-type: none"> Requests accessibility improvements to the western entrance to the Homestead, to provide a second exit in event of emergency. Concerned that upgrade of the Homestead will result in an increase in cost of using the building. 	5 22	Allowed in part / Disallowed in part Disallowed	I TTT
21	Peter Marshall	3.1	<ul style="list-style-type: none"> Supports retention and increased maintenance of oak trees; suggests techniques to address perceived issues with the trees. 	14	Allowed	XX
22	Pat Turley	Whole Plan 5.1 2.2 3.1	<ul style="list-style-type: none"> Congratulates HDC for engaging thoroughly with the community and developing a comprehensive draft plan. Supports formalisation of a Care Group for Keirunga Gardens. supports pergola concept designed by Scott Design, suggested to be located on the Knoll. Is an advocate for native trees and enhanced biodiversity however does not support extensive planting of native trees or ground cover within the oak woodland; this would be inconsistent with most submissions received to the Draft Tree Management Plan. Planting of native trees or plants beneath the oak trees would be contrary to preservation of the oak woodland which requires the woodland floor to be available for oak seedlings to germinate. Considers alternative locations in Hastings more suitable for native trees. 	- 20 15 14	NRR* Allowed Disallowed Allowed	- OOO FFF VV
23	Matthew Nisbett & Bella McGee	1.3 2.10 2.5 2.7	<ul style="list-style-type: none"> Would like to have a dog park. Supports keeping vehicles away from the playground.
